

# Annual Report

Rafa Nadal Foundation 2023 - 2024

This past year has been deeply moving and filled with unforgettable moments. Through our five projects, **we have supported children and young people in their personal development, using sports as a transformative tool.** Thanks to the hard work and dedication of everyone involved, we have witnessed how, day by day, these children grow in confidence, overcome barriers, and dream of a better future.

Another source of joy has been the growth of the Rafa Nadal Foundation Awards. After two inspiring editions, we are preparing for the third, with the same enthusiasm for highlighting projects that, while different from ours, serve as engines of social change. Seeing the impact of these awards and the excitement they generate is truly inspiring.

This year, we also experienced a very special moment with the reception of the **Laureus Sport for Good Award**, a recognition that fills us with pride and strengthens our commitment. This award is a reflection of the tireless work of our entire team, but above all, it is a tribute to the children and young people who teach us the true value of effort and perseverance every day.

Each of them, with their stories and dreams, is our greatest inspiration to keep moving forward. **We firmly believe that sports can change lives**, and we are determined to continue supporting them on their journey, providing them with the tools and opportunities they need to build a future full of possibilities.

Thank you to everyone who makes it possible for us to continue fulfilling our mission—our partners, allies, and the families who trust us. And most importantly, thank you to the children and young people who remind us every day that all this effort is truly worthwhile.

***María Francisca Perelló, Director of the Rafa Nadal Foundation***
